

TIRE SWING SCENARIO

EXT. SHORE OF A SERENE LAKE - DAY - \*\*THE PRESENT\*\*

LOW ANGLE - Daylen lies on the ground. RAISE CAMERA TO REVEAL Maggie lying several feet back on a shallow hill.

CUT TO:

A LITTLE LATER

They're wading through the

LAKE

And onto a

SMALL ISLAND

They pick up a big tire and a huge piece of rope and trudge back through the

LAKE

Carrying the tire and rope.

MAGGIE

What's he trying to prove? With these places, and it's kind of fun if I'm telling the truth.

DAYLEN

Yeah I know, I don't think I've ever been on a tire swing before.

MUSIC PLAYS (**CUE 14**).

MAGGIE

I did once, but my Dad pushed too hard and fell right out the back. Why we built it above sharp rocks, I'll never know, but it hurt. He was pretty messed up all the time.

CUT TO:

SHORE - A LITTLE LATER

One end of the rope is tied around the tire. Maggie and Daylen try again and again to get the other end over a sturdy tree limb near the water.

MAGGIE

Alllllllmoooooooss-NOOO!

Daylen takes over and tries - nope.

Maggie finally gets it over. She ties it to the tire.

They stand and look at it.

DAYLEN

He said build the swing, he didn't say we had to swing in it.

MAGGIE

Well, I don't know about you, but-

Daylen jumps on it. He stand/swings.

MAGGIE (CONT'D)

Come on!

Maggie jumps up with him, they swing. It's hard to handle, but it's fun. There's a laughter lull.

DAYLEN

I like it here with you...

Maggie grins.

MAGGIE

(inaudible)  
...(I like you).

Daylen falls off. Maggie falls next to him.

They look at each other. It's so cute.
